USS Potomac
540 Water Street
Jack London Square in Oakland, CA
A 501-c-3 non profit
The USS Potomac was originally built in 1934 as the Coast Guard cutter Electra. She was renamed and converted to the Presidential Yacht Potomac by President Franklin D. Roosevelt as a navy vessel in 1936.

Today, beautifully restored, the Potomac is an active part of the San Francisco bay scene and one of the most remarkable and scenic wedding venues in the Bay Area.

Picture yourself on your very special day, surrounded by friends and family, making your dreams come true aboard this unique historic vessel.

Have your ceremony at dockside, or while cruising with stunning views of the Bay Bridge, the Golden Gate Bridge, and the City by the Bay.

The Venue

The comfortable capacity for cruising on the Potomac is 120 passengers. For weddings with food and beverage services, 80-90 guests is recommended.

Tables, chairs and couches may be added to the foredeck and/or boat deck to provide dining and socializing space while allowing your guests unforgettable views of the Bay.

The Presidential dining saloon is the perfect space to set up a buffet or serve a meal. Two fully equipped galleys make onboard catering easy. We are happy to provide you with a list of preferred caterers who are familiar with the unique requirements of this vessel.

The Fantail is a wonderful space to place a bar, serve cocktails and provide a festive party atmosphere. We have a full ship sound system with remote microphone, CD and iphone/ipad player capacity. Limited space and power accommodations are available for live entertainment.

The Potomac is a Coast Guard certified vessel and her crew is comprised of six USCG Licensed professionals. Two to four docents will represent the ship during your charter. They are delighted to take informal tours with your guests, and to assist in any way required.
