ON BOARD

THE PRESIDENTIAL YACHT POTOMAC

President Franklin Delano Roosevelt's "Floating White House"

www.usspotomac.org

The Presidential Yacht Potomac is a unique venue for corporate/union senior staff planning and recognition meetings. This historic vessel is quite unlike any other, in that it was favored by President Franklin Delano Roosevelt for strategy and planning meetings throughout his terms in office. The ambiance of the ship lends to the sense of privacy and importance in the meeting process. Join us on board for your next planning meeting, recognition, or special client conference.

Options and Pricing:

The events below are based on a seven hour, day-long event, e.g. from 9AM to 4PM.
